### LIABILITY FOR CONTENT

The contents of our pages have been created with the greatest care. However, we cannot assume any liability for the accuracy, completeness or up-to-date nature of their contents. As a service provider, we are responsible for our own content on these pages under general legislation in accordance with Section 7(1) TMG (Telemediengesetz [German Telemedia Act]).

According to Sections 8 to 10 TMG, as a service provider we are not obliged to monitor transmitted or stored third-party information or to investigate circumstances that indicate illegal activity.

Obligations to remove or block the use of information under the general laws remain unaffected by this. Any liability in this respect, however, is only possible from the time knowledge of a concrete infringement was gained. If corresponding infringements become known, we will remove these contents immediately.

### LIABILITY FOR LINKS

Our website contains links to external third-party websites over whose content we have no influence. Therefore, we cannot assume any liability for these external contents. The respective provider or operator of the website is always responsible for the content of the linked web pages.

The linked web pages were checked for potential legal breaches at the time the links were created. No illegal contents were identifiable at that time. However, it is not reasonable to permanently check the linked web pages without specific indications of infringement. If we become aware of any infringements, these types of links will be removed immediately.

### COPYRIGHT

Contents and works created by the website operators on these web pages are subject to German copyright law. The reproduction, editing, distribution and any kind of exploitation outside the boundaries of copyright law require the written consent of the respective author or creator. Downloads and copies of this web page are only permitted for private, non-commercial use.

If the contents on this web page were not created by the operator, the copyright of third parties is respected. In particular, third-party contents are identified as such. If, in spite of this, you become aware of a copyright infringement, please inform us accordingly. If we become aware of any infringements, these types of content will be removed immediately.

If personal data (e.g. name, address or email address) are collected on our web pages, this is always done on a voluntary basis as far as possible. These data will not be passed on to third parties without your express consent.

Please note that when data is transmitted over the internet (e.g. through email correspondence) there may be security gaps. Complete protection of the data against access by third parties is not possible.

The use of contact data published within the framework of the imprint obligation by third parties for the purpose of sending advertising and information material not expressly requested is hereby expressly prohibited.
